conjure up something raiiroad proposition.

COLONEL CORKHILL, the attorney who prosecuted Guiteau, the assassin, died on the 6th instant, in Iowa.

The fight is browing and will be short, sharp, and decisive. The railroad pro-position will go through. At least, that's the claim now.

says Cleveland has been a success as President, and considers his renomina-tion as one of the things that's to be.

The Democrats of Texas and Missouri are said to be solid for Cleveland in 1888. The current of public opinion is setting in steadily and surely in the direction of the defender of the people's rights.

As a vetoer, Cleveland has far surpassed As a vetoer, Cleveland has far surpassed any and all of his predecessors. The fact of the matter is he never signs a bill until he thoroughly examines it and knows just what it contains. That's the kind of a man the country wants for President President.

THE postmaster at Baltimore thinks that "to the victor belong the spoils," and believes in "turning the rascals out." He fired three bundred of them the other day, and gave their places to good Democrats who had been hanging around hungry and thirsty nntil patience had aimset ceased to be a viting. almost ceased to be a virtue.

BROTHER DAVIS has been blowing for some time about the Democratic party being responsible for the present system of convict ishor in this State. Of course, the Republicans would have had things entirely different if they had only been in the ascendency. We don't believe a word of it. Relly, the Republican Senator from Campbell, voted for the present system, and if his party had been in power, things would have been just about as they now are.

"THERE'S only one sointion to the diffi-culties in Rowan," said a well-known Kentuckian, who is thoroughly convers-ant with the troubles in that county. The men causing the constant trouble "The men causing the constant trouble at Morehead are nurderers and incorrigible desperadoes. They deserve the severest penalty under the law, and they ought to get it. The only way to establish permanent peace in Rowan County is to declare martial law there and send Judge Jackson to hold court, with the understanding that all the principals are to be hung and all the lesser lights given good long terms in the penitentiary. It is a heroic measure, but it would do the is a heroic measure, but it would do the business."—Louisville Times.

What it Means.

We have been asked the question time and again, "what does this railroad proposition mean?" The ordinance is published elsewhere and anawers the question fully, but the trouble is the majority

tion fully, but the trouble is the majority of readers will not take time to study the matter and find out for themselves. We will try to answer the question here and now. The ordinance says:

"At which election the question shall be submitted to the qualified voters of this otig absumitted to the qualified voters of this otig of Mays-wille shall subserble under the otig of Mays-wille shall subserble under the capital stock of the Mays-wille shall subserble under the capital stock of the Mays-will shall subserble under the capital stock of the Mays-will shall subserble under the capital stock of the Mays-will shall subserble under the capital stock of the Mays-will shall shal

"If It shall appear that a majority of all the votes east shall be in favor of said subscription, the Cily Council will so adjudge, and cause this fact to be duly recorded in the minutes of the majority of

conditions. Now what are the conditions upon which it is to be made? The ordinance goverus here as elsewhere, and

"The subscription made as hereinbefore mentioned shall be upon the conditions that when said County Court had take the subscription by the city shall be consided any not be necessary to secure the smooth, offer exhauting all other subscriptions, which will be neceded to pay for the right of way and the expenses of obtaining it." And again, further along, it adds:
"And and J. James Wood and others, the committee, are authorised to use so much of said certificate (88,800) as may be necessary to said certificate, said J. James Wood and others, the committee, are authorised to use so much of said certificate, said J. James Wood and others, the committee, are authorised to use so much of said certificate, said J. James Wood and others shall be understood to bind themselves to apply to the redemption of said 88,000 certificates all the proceeds of the 85,000 county bonds, when they shall pecute the same, excepting so much thereof as may be necessary to

Cattie Dying from Drought.

ABILENE, Tax., July 8.—Owing to the scarcity of range and the almost total abstinence of water, cattle are sagin drying by west Texas. Ranchmen are attempting to drive their herad to the Poco rivar, but in many cases the cattle are too weak to stand the drive and die on the way. It is imposible to form a correct estimate as to the loss tonic form a correct estimate as to the loss tonic form a correct estimate as to the loss tonic form a correct estimate as to the loss tonic form a correct estimate as to the loss tonic form a correct estimate as to the loss tonic form and the control of the control of the control of the control of the county restricted positioned the national congress for relief. There has been for twelve months prevailing in that county as unspressedented drought. The situation here review months prevailing that county as unspressedented drought. The situation here was not form and the control of their farms. Crops of all kinds are a failure. Many people are now in want of food, and tessitution prevails. Other positions are being circulated in the cities and towns of Texas for money and food.

Is no other medicinal preparation have the results of the most intelligent study and scientific inquiry been so steadily and progressively utilized as in Ayer's Sarasparilla. It leads the list as a truly scientific preparation for blood diseases.

HOYSE KEEPERS should be careful in using copper ketties. A party of seventy-five pic-nic-ers out in Missouri was served with ice-cream from a kettle of that description the other day. All were taken violently sick soon afterwards, and two have since died. A number of others are very low and are not expected to recover.

cover.

One of those pieasant, little social events which bring happiness and smiles occurred at the Perrie House on Sutton street last evening, and was greatly enjoyed by all who were present. The beautiful parlor theatrical, "The Queen's Selection," was rendered to a crowded house by Misses Sallie Perrie. Anna Shackleford, Mamie Perrie and Nettie Howe. There was some excellent music by Misses Anna Shackleford and Sallie Perrie. Miss Mamie Perrie recited a comic selection in appropriate costume and Miss Nettle Howe recited "Kentucky Belles. After the programme, the two little daughters of Mrs. Will Shackleford recited selections, and those who remained were favored with some delightful music by Miss Jeannie Frazee. Conmained were avored with some designi-ful music by Miss Jeannie Frazee. Con-sidering the quiet manner in which the affair was conducted, we were surprised at the number and delighted with the beauty that was there.

Happiness

results from that true contentment which indicates perfect health of body and mind. You may possess it, it you will purify and invigorate your blood with Ayer's Sarsaparilla. E. M. Howard, Newport, N. II., writes: "I suffered for years with Scrotulous humors. After using two bottles of Ayer's Sarssparilla, I

Found

Areat relief. It has entirely restored me to health." James French, Atchison, Kann., writes: "To all persons suffering from Liver Complaint, I would strongly recommend Ayer's Sarsaparilla. I was sufficted with a disease of the liver for nearly two years, when a friend advised me to take this medicine. It gave prompt relief, and has cured me." Mrs. H. M. Kidder, 41 Dwight at, Boston, Mass., writes: "For several years I have used Ayer's Sarsaprilla in my family. I never feel safe, even

At Home

without it. As a liver medicine and general purifier of the blood, it has no qualit. Mrs. A. B. Allen, Wlusterpoek, Va., writes. "My youngest child, two years of age, was taken with Bowel Complaint, which we could not cure. We tried many remedies, but be continued to grow worse, and finally became so reduced in fisch that we could only move him upon a pillow. It was suggested by one of the doctors that Scrotlus might be the cause of the trouble. We procured a bottle of

AYER'S Sarsaparilla⁹

nmenced giving it to him. It surely i wonders, for, in a short time, he mpletely cured." Sold by all Druggists.

Price \$1; Six bottles, \$5 Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., U. S. A.

USE HALL'S HAIR RENEWER.

It is a medicinal preparation, and, at the same time, an elegant and cleanly toilet article. Its action upon the scalp is health-ful. It nouribes the glands which support the hair, and causes thin, dry hair to become thick, soft, and vigorous. It restores the color of youth to locks which have releves and curse itching, caused by humors of the scalp. Dr. George Gray, Nashua, N. H., writes: "It gives me pleasure to testify to the wonderful effects produced by Hall's Vegetable Sicilian Hair Renewer, as observed by me in very many cases. It will L. CREATALY IRESTORE THE HAIR TO ITS ORIGINAL COLOR. It cleanes the head of dandruff, and leaves the hair soft, glossy, and beautiful." F. T. Sandhein, 1010 Spruce st., Philadelphia, Pa., writes: "After unavailingly trying a number of preparations to prevent my hair from fulling out, and, resiling that I recort, Italia." Hair Renewer. I have used only four bottles of the Renewer, and amperfectly astiscied that It is the best preparation in the market for checking the fulling out of hair, Invigorating the hair perfectly sutstant that it is not con-ration in the market for checking the failing out of hair, invigorating the hair roots, and promoting a new growth."

Buckingham's Dye

WHISKERS

vy RISKERS
commends litself to all who have occasion
